

JASON MULLIN

SOFTWARE ENGINEER ☎ 774-413-0223

◦ DETAILS ◦

774-413-0223

jason_mullin@my.uri.edu

◦ SKILLS ◦

C/C++

Python

Ruby

JavaScript

HTML/CSS

Node.js

Rails

SQL

Django

AWS

PROFILE

It's curiosity, that I credit, for guiding me through life. If it was not for curiosity I would not be the person I am today. It's guided me through university obtaining a Bachelor's in Computer Science in return. I'm now looking to turn what I learned in the classroom into a role as a Full Stack Developer.

EDUCATION

Bachelor's in Computer Science, The University of Rhode Island, South Kingstown, RI
